

**A rare opportunity to invest your money,  
earn interest and improve people's lives all  
at once**

**Sally Seddon from  
Shared Interest**

**Thursday 21<sup>st</sup> March at 4.00**

**at St Peter's Church, Henley Road, Ludlow**

Shared Interest invest in loans to people in developing countries who are wanting to get into fairtrade but need some help to get started.

Sally says this about the work that they do:

*'It is simple: investing in Shared Interest will change lives.'*

**The talk will be preceded by fairtrade tea and  
cakes at 3.30**

St Peter's have asked us to mention that immediately before this event, they will be holding a Lenten meditation from 2.30 to 3.30. You are welcome to come to this, but if you are just coming for the fairtrade event, please be aware of the need for quiet if you arrive early.
