**Treasurer's Report**  
**2018-19**

The main flows of money through the Ludlow 21 account this year were again due to the annual Green Festival. Thanks once more to the hard work of the planning group and a host of other volunteers, the 2018 Green Festival showed a surplus of £929.

The Green Festival apart, Ludlow 21's main income sources were personal subscriptions and the regular monthly donation of £30 from Local to Ludlow. This means that the non-Green Festival account shows a surplus of £646.

Nina Foord stepped down from her role as book-keeper at the end of this financial year. On behalf of the Board I would like to register my thanks to her for her highly efficient and conscientious work. I'm also very grateful to Jenny Nicol for stepping into the breach in this regard, and look forward to working with her over the coming year.
