

Ludlow 21
Treasurer's Report
2020/21

The year ending March 31 2021 was an unusual one for many people, and for reasons I need not detail. Financially, for Ludlow 21 it meant a significantly reduced flow of funds through our account as a result of the cancellation of the 2020 Green Festival.

Our main income therefore comprised membership donations, and our main outgoings the payment of residual costs relating to the local Bus Timetable project led by Roger Furniss. As the grant income relating to that had been received in the previous financial year that meant that we ended 2020/21 with a small deficit of £140.

During this year we also bade farewell to our book-keeper Jenny Nicol. On behalf of the Board I want to thank Jenny for having kept the figures in order for us, and to wish her well for the future.

John Daniels
Treasurer, Ludlow 21
